*This Is
TBHS*

Only a photograph of a building, you say? How mistaken you are! To an outsider, yes, this is just another building - but to the students of Tom Bean High School it means much, much more. The friends made here, the achievements won, the disappointments suffered (but wisdom gained), and knowledge acquired here have made TBHS a very special building.

It would be hard to forget the cold, crowded halls . . . the stuffed lockers . . . the hours wasted during study hall . . . the assemblies . . . the long lunch-room line . . . the excitement of a close game . . . the detention slips . . . the echoing sound of the paddle . . . the bumpy busrides . . . cramming for tests . . . the discussions in class . . . the mad scramble for the door . . .

And so, here is your book, the 1959 TOMCAT, which we give to you so that you will never forget this past year in good old TBHS.

Dedication

Our hearts overflowing with love, gratitude, and admiration, we, the annual staff of 1959, have chosen to honor, in a very special way, those devoted parents upon whom we have depended so completely for guidance and understanding throughout the blossoming years of our lives.

With a spirit of sincere humility intermingled with the joyful pride of achievement, as your sons and daughters our annual staff is indeed privileged to dedicate this 1959 TOMCAT to you, Mom and Dad.

I feel that a great amount of praise must be given our student body in general for being willing students and good school citizens. This indicates not only good training at school - but even more important - good training at home. Your parents are to be commended for rearing you in such manner.

Those few of you who do not have this quality of character are, I am sure, a source of sorrow to your parents as well as your teachers. The student who does not want to do right by his fellow man and who does "just enough to get by" will frequently find himself in trouble in adult life and will often find himself in the predicament of "just getting by."

Especially must I commend the members of the graduating class for being outstanding citizens and diligent students. Your parents can be justly proud of you. Certain it is that your school is proud to claim you as a graduate. This is the highest compliment a school and its faculty can give to a graduating class. I am confident that you will justify our faith in you throughout your future lives.

Sincerely,

Tim F. Kelly
